

Naka naNala basengadzeni yabo. Bayalima, futsi batjala tibhidvo.

“Yini lesenta sisebente kangaka elangeni?” kubuta Nala.

“Sisebenta ngekutikhandla ngobe siyawutsandza umhlaba nendzawo lesihlala kuyo!” kusho Naka.

“Bantswana bakhula kahle endzaweni lehlantekile,” uyengeta.

“Siphindze sitjale tibhidvo kute sidle kudla lokunemsoco,”
kuchubeka Naka.

“Kantsi futsi kutjala tibhidvo tetfu konga imali,” kusho Nala.

“Konje bewutsini ngemhlaba? Ngicela ungitjele lokwengetiwe?” kuncenga Nala.

Naka utsi, “Asihlale phasi, ngitakutjela lokutsite ngemhlaba wetfu.”

Naka uyacala, “Umhlaba uyiplanethi leyindingilizi lesihlala kuyo. Emhlabeni kunebantfu labacishe babe tigidzigidzi letisiphohlongo! Umhlaba uhamba ujikelete lilanga.”

“Umhlaba wakhiwa ngumhlabatsi, umoya, kanye nemanti. Tintfo letiphilako tiphila ngetulu kwaleplanethi ngobe ngekhatsi kuyo kushisa kakhulu,” kuchaza Naka.

Nala umngena emlonyeni, “Yini leyenta kutsi singawi phasi emhlabeni?”

“Sibanjwa ngemandla atibutse. Lamandla asenta sinamatsele kuleplanethi,” kuphendvula Naka.

“Singawunakekela njani umhlaba?” kubuta Nala.

Naka uyaphendvula, “Kufanele singawungcolisi umhlaba. Kufanele sigucule tintfo lesetisebentile futsi sinciphise inkhukhuma yetfu.”

Naka uyachubeka, “Kufanele sigucule bese sisebentisa kabusha emapulastiki, emaphepha, tingilazi, kanye netikotela. Singakhona kwakha letinye tintfo letinsha sisebentisa tintfo lesitiguculile. Tinyenti kakhulu tintfo lesitilahlako.”

Naka uyaphetsa, “Kufanele siwunakekele umhlaba ngobe bantfu kudzingeka bahlale kuwo.”

Nala uyamangala, “Asibuyele emsebentini!”
